

2007 CIRRUS SR20-G2 GTS

N855CD

UltraAviation
services, inc

Lowest time Cirrus SR20-G2 GTS model on the market – only 140 Flight Hours. N855CD has been Cirrus Service Center maintained since new, the log records are detailed with all SB's, and AD's completed. The condition is exceptional, always stored in a hangar and shows like a new aircraft.

Transition flight training is included for one pilot. N855CD qualifies for Special Financing rates and Insurance terms, contact us for more details.
