Re: Bonanza closing

Dear Keith,

I just wanted to let you know that the funds from the sale were in my account within minutes of the transfer. Val is really good.

More than the information on the funds, I want to formally, and with extreme sincerity, thank you for everything you have done to make the sale of the Bonanza so easy for me.

You are an ultimate professional, with a really good heart. I would be more than willing to tell the same to any prospective clients. I feel your efforts went above and beyond. You can use me as a reference at any time.

Thank you again for taking a huge burden off of my shoulders.

Most sincerely,

Katherine A. Pavone
